**Subject:** Priority Action, Please Read: Draft Q's and A's for Administrator's Hearing

---

Folks:

As indicated on previous recent notes, we need to have draft Q's and A's to prepare the Administrator for hearings early next week. We need these in good draft form by 5:00 pm. As also indicated, we want to maximize use of already developed material. Kathy J. has done a great job of assembling a first cut from already existing materials. While we are circulating this first draft through OCIR to make sure that we've captured the key Q's and A's needed, I ask that you take a look and identify specific key points/feedback that are not addressed in these responses and/or offer any other key Q' and A' that you believe should also be included. I ask that you provide your input by 4:45 pm today. Please submit to Kathy Jones and myself.

Again, keep in mind that we are trying to make sure that we keep these Q's and A's consistent with any and all material already produced and shared (i.e., posted on web,

submitted in other Q's & A's, share through press conferences, etc.).

Thanks,
